

ALL IS ONE 

# KEEPING YOU SAFE

WE TAKE THE HEALTH & SAFETY OF OUR TEAM AND GUESTS EXTREMELY SERIOUSLY. TO ENSURE THE WELL-BEING OF EVERYONE, WE HAVE IMPLEMENTED THE FOLLOWING SAFETY & HYGIENE POLICIES:

- Partnered with **ECOSURE/NSF** to ensure the very highest of safety, sanitation, food handling and employee training standards are in place
- Established a dedicated **'Clean Team'** that focuses on regularly sanitizing all touch point areas - including restrooms, tables, seating, menus and door handles
- Our premises are **fully sanitized** every night
- Extensive **employee training** on Covid-19 precautionary measures
- Continuous employee **hand washing**
- Providing **hand sanitation stations** throughout the premises
- Mandatory **facial covering/masks and gloves** for all employees
- Physical menus (where allowed) are utilizing the latest in anti-bacterial coating to provide a cleaner menu as well as **contactless menu options** being available in all cafes

We request that guests use the hand sanitizer provided on arrival, cooperate with the temperature checks and any locally mandated health declarations. Please respect our physical distancing guidelines/seating configuration and if possible we would prefer guest to pay via contactless or bank card vs. cash.

While we have taken extraordinary measures to keep our restaurants safe, we urge everyone to **Take Time to Be Kind** and treat each other with respect and dignity.

HARD ROCK  
**SAFE +**
